MAY 2024

Great fun had by a number of people

Starting in late April and continuing throughout the month of May, we had a number of folks take advantage of the early spring weather. They enjoyed going to Lowe Volk Park, Malabar Farm, and even started a garden. Look at the smiles on their faces and the fun that was had by all. We appreciate the RNI staff for working with everyone involved to plan fun and meaningful opportunities to be active and explore!
